Short Answer Questions

Please feel free to write as much as you feel is appropriate to answer each question, and attach extra sheets if necessary. You may also include a resume.

1. Why do you want to become an intern at Green String Institute? What do you hope to learn?
2. Do you have any previous work or educational experience in sustainable agriculture or related fields?
3. What are your long-term goals? How do they relate to what you hope to learn at Green String?
4. Interns form a tight community during their three months here. Please describe the role you see yourself taking in the group.
5. Community Education is an integral part of our internship program. Do you have previous experience teaching others, either formally or informally? Describe your experiences.
